CONFERENCE MISSION:

The **10th Annual Technologies for Critical Incident Preparedness Conference and Exposition** highlights DOJ, DHS and DoD's technology and training tools currently available and being developed for the emergency responder community, as well as provides a forum for emergency responders to discuss best practices and exchange information. With 1,500 attendees and 200 exhibits and demonstrations expected, this conference offers a unique opportunity for emergency responders, business and industry, academia and local, tribal, state, and Federal stakeholders to network,

exchange ideas and address common critical incident technology and preparedness needs, protocols, and solutions.

LOCATION:

Hyatt Regency Chicago
151 East Wacker Drive
Chicago, IL 60601

Room Rates:

\$185: State/local public safety practitioners
\$205*: Federal government/industry/other
